

THE TRAINEES

IN OCTOBER 2014, CAI WAS INVITED TO VISIT A TINY PERUVIAN CHURCH THAT WANTED HELP TO SET UP A PROJECT FOR DISABLED PEOPLE IN THEIR CITY OF AREQUIPA.

IN 2015, WE WORKED WITH TWO GROUPS OF PEOPLE: THE PHYSICALLY DISABLED AND THOSE WITH LEARNING DIFFICULTIES.

GROUP 1 CONSISTS OF 4 PHYSICALLY DISABLED PEOPLE. GROUP 2 CONSISTS OF 30 PEOPLE WITH LEARNING DISABILITIES.

Many of the trainees are young adults. There is a school for people with disabilities in Arequipa, but after leaving school, these young people are left with nothing to do and no way of supporting themselves or their families.

Even though CAI's project is still only in its early stages, the training that these young people have received this year has transformed their lives.

"I am so grateful."

"It is important for me to be here, because it is a chance to work."

"It is like a family here."
